

Here is an interesting pattern.
Can you use a fountain pen or ink
pen to draw this pattern onto the
cityscape picture?

cityscape picture?

Here is an interesting pattern.
Can you use a fountain pen or ink
pen to draw this pattern onto the
cityscape picture?

**Look at this cityscape below.
There are many patterns in the cityscape.**

Can you re-create this cityscape on another piece of paper using your fountain pen or ink and ink pen?

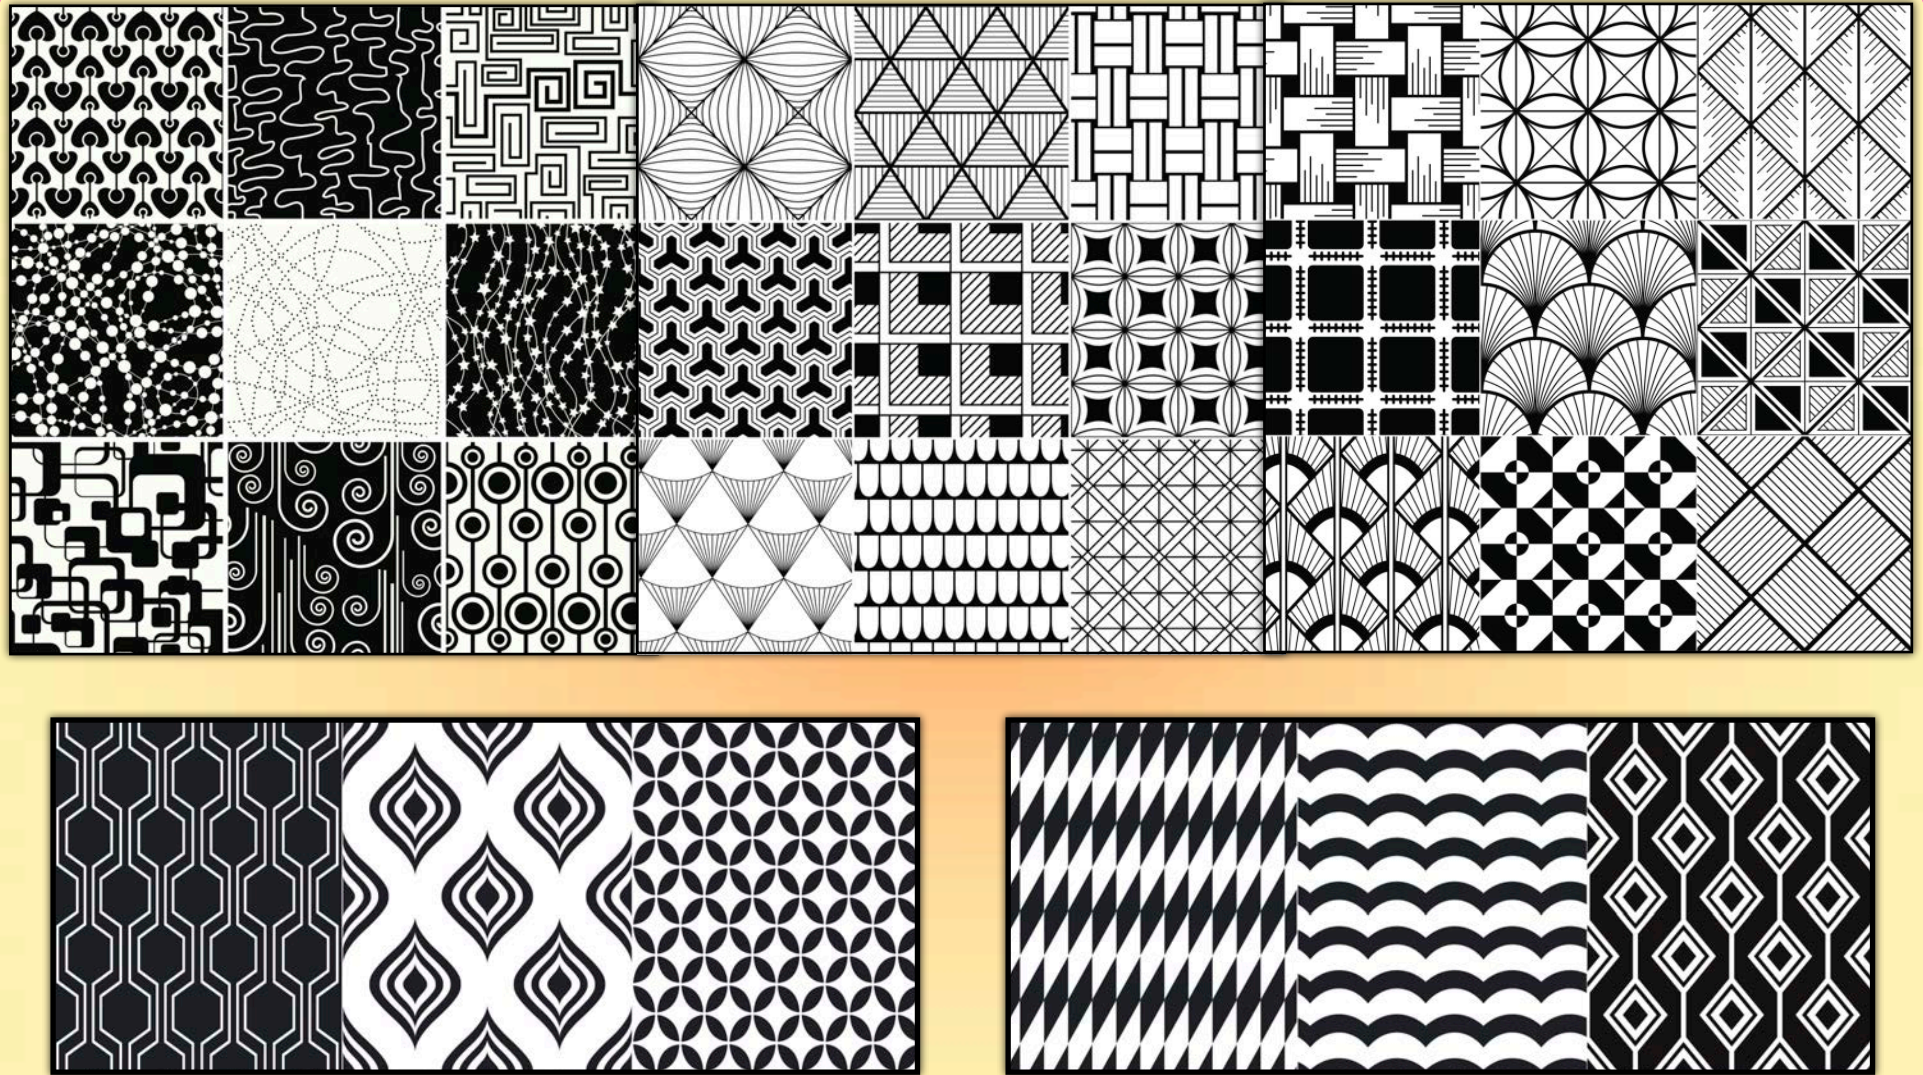

Can you create your own patterns to decorate the cityscape you have drawn?

Remember to be as creative as you can. Each building should have a different pattern to make it look interesting.

Tip!
You may like to practise your patterns first before drawing them onto the buildings.
