

Dear Parents & Carers

It has been lovely to welcome our new Year 3 pupils into Oakfield. They have already impressed us with how quickly they are settling into the Oakfield way. As a school we work hard to ensure that everyone in our school community continually demonstrate our 5C Values. This half term we will be focussing on the value of CARING. In our year group assembly this week we discussed what kindness was.

Everyone agreed that kindness means being:

- * Helpful
- * Friendly
- * Considerate
- * Generous
- * Gentle
- * Caring
- * Showing goodwill towards other people or groups
- * Responding to a person/people in a positive way

The idea of 'paying forward' was discussed with pupils in upper key stage two while our younger pupils listened to the fable of the 'Dove and Ant'. It would be fantastic if you as parents could focus on this value too at home.

In addition to these regular newsletters, news and information is shared on our website—www.oakfieldjunior.com - I encourage you to look at the

website regularly for information and updates on all aspects of your child's schooling. This week you will find some photos of children settling back in to the new term.
