

June 2020

Dear parents and Carers,

The Kitshop is based in Fetcham high street with free convenient parking outside the door. We hold comprehensive stock of all the required uniform and PE kit for the school.

This is a very challenging and emotional time for us all, and we are all adjusting our lifestyles in an effort to keep ourselves and those around us safe and well.

With this in mind, we wanted to send a brief letter out to all parents to give you peace of mind about coming to the shop for your uniform.

We will be supplying uniform as usual this year whilst ensuring we have taken important steps to observe social distancing whilst you shop.

We have changed the layout of the shop so that we can better serve you whilst you are shopping. We will be limiting the number of customers in the shop and requesting that shoppers wait outside until safe to enter. We will also have tape on the floor to indicate acceptable distances apart from other shoppers and our counter will also have protective screens erected. Hand sanitiser will be available for you to use as you enter and leave the shop.

This means we can offer you are full attention as usual whilst you shop for your uniform, and also ensuring we are not overcrowding the shop.

If you are planning to try on uniform, we would ask that you please come wearing something appropriate so that you can try items on over the top of what you are wearing. We can then keep the changing room to minimum usage.

We would also encourage you to look at shopping on line. All the uniform along with sizes and prices is on our website. [WWW.KIT-SHOP.CO.UK](http://WWW.KIT-SHOP.CO.UK). You can select home delivery, or you can select collect from shop, where we can have your order ready for collection, whilst still maintaining social distancing when you collect. We will advise you by email as soon as your order is out for delivery or ready for collection (please keep an eye on your Junk folder as the emails are automated they sometimes get filtered for spam).

If you need to exchange any items, we can do so quickly and easily. Details of the return/exchange procedure will also be found on the website

If ordering on line, please only order one size (in whatever quantity you wish) rather than multiple sizes to try on for size. This means we have plenty of stock for everyone throughout back to school.

We would also encourage you to order early, so you have plenty of time to make any exchanges if necessary.

We look forward to being of service to you, and please do not hesitate to get in touch if you have any questions.

Best wishes,  
The KITSHOP team
