2021-2022

Dear parents,

### Cycling to School

I am writing to remind you of our guidelines on children cycling to school, as follows:

#### Cycling

We allow cycling to school with adult accompaniment.

We do not expect any child to cycle to school unaccompanied before year 6. Year 6 children will have the opportunity to undertake Bikeability level 2 early in the Spring Term of 2020. Once passed, they may cycle to school unaccompanied, if their parents give written permission to do so.

Anyone cycling to school MUST wear a cycle helmet.

Please ensure all bikes and scooters are wheeled (not ridden) on school premises, and left locked in the bike park on the lower playground.

If you require your child to cycle to school unaccompanied, please complete the slip below and return to the school office.

Yours sincerely,

Mrs D Willemse  
Headteacher

#### Cycling to school unaccompanied – Permission slip (to be handed to office for the attention of Headteacher)

I give permission for my child to cycle to school unaccompanied. I understand that they school advice is that children do not cycle to school unaccompanied until they have completed the Bikeability level 2 training in year 6. I have read and understood the cycling to school guidelines and have explained these to my child.

Child's name: .....class .....Parent/Carer name & signature.....
