

Whole School Christmas Decorations 2023

Dear Parents,

For our whole school Christmas decorations this year we are asking the children to produce **Snowflakes**. These will be displayed outside so they will need to be waterproof.

Criteria:

- Make the snowflake out of a strong material for example, card, wire, paper plates, lolly sticks, wood, twigs (which could be painted or wrapped in tinsel).
- Must be waterproof (e.g. cover with cling film, cellophane, foil).
- A range of sizes - A4 being the smallest so that they can be clearly seen by passers by
- Bring into school by Friday 24th November

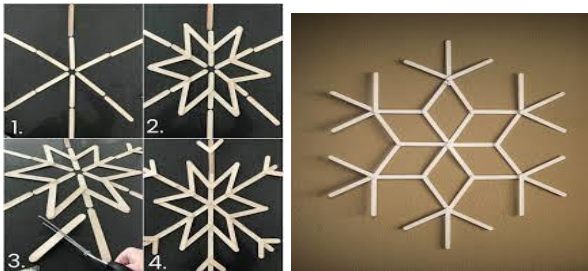

The front of the school has become a real joy for the whole community and we thank you for your continued support and involvement.

Kind regards,

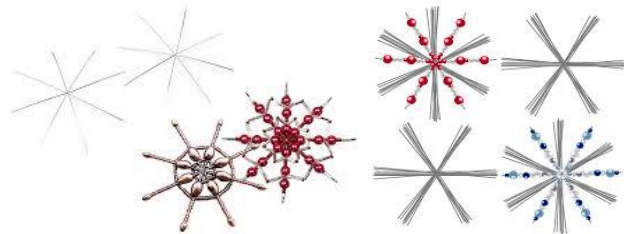

Mrs K Holden

Art & Design Lead

Wire and bead snowflakes

Lolly stick snowflakes

Paper plate snowflakes

Card snowflakes

Twig snowflakes

Wooden peg snowflakes
