

Dear Parents & Carers

In assembly we have recently been thinking about how lucky we are to be part of such a safe and caring community as Oakfield. We have been made aware that many people in the world do not have the things we take for granted, like enough food, or clean water, or access to medicine, or homes to live in. We have thought about ways in which we can all be thoughtful, generous citizens.

Thank you to all parents and pupils for supporting two of our community events recently. It has been fantastic to see how creative and generous everyone is. A good amount of money was raised and will be donated to Children in Need following the cake sale. We hope the Snow Flake display, kindly pulled together by Mr Shuman, Mr Morton and Mrs Cunningham helps bring some Christmas cheer on these cold dark evenings.

Please ensure that your child has the necessary clothing in school to help keep them warm and dry while outside. A number of items of clothing have made their way into the lost property box however we are struggling to return these as many of the items are unnamed. It would be most helpful if you ensured that all school uniform items were named.

Kind regards,

Mrs Willemse

Year 4 really enjoyed their trip to the natural history museum this week. They dove deep down into the ocean on a submarine, to explore and learn all about the different habitats and organisms that live there.

Year 5 had a lot of fun building and testing water rockets at a workshop run by school Governor Brian Egles.

Class 5H managed to get their rockets to go the furthest!

Mrs Holman has been covering a 'People in Action' project in Art this term in Y6. She has been very impressed by the pieces produced across 6CK and 6M. Here are a selection of pupils' artwork for you to enjoy.

LAN pupils had a fabulous day out at the Natural History museum, with Y4.

Anti-Bullying Week

During Anti-Bullying week, children in year 3-5 watched a live performance called 'The Space Between' from Peer Productions. Using a Space theme, children learnt how feelings can be complicated and that you can experience more than one at a time and that this is totally normal. They learnt strategies that could help them when facing difficult feelings and situations and found out that if they applied these, they could be calmer and then feel more in control and show resilience and achieve the best possible outcomes. A couple of strategies shared have been followed up in class but they might be useful at home too.

During Anti-Bullying week, children in year 3-5 watched a live performance called 'The Space Between' from Peer Productions. Using a Space theme, children learnt how feelings can be complicated and that you can experience more than one at a time and that this is totally normal. They learnt strategies that could help them when facing difficult feelings and situations and found out that if they applied these, they could be calmer and then feel more in control and show resilience and achieve the best possible outcomes. A couple of strategies shared have been followed up in class but they might be useful at home too.

Star breathing. The children trace the shape of the star in the air slowly. They inhale, hold at the point of the star and then exhale. They repeat this until the star is complete and then see if they feel calmer. They can then repeat as many times as they like.

Hope Box. In

the box, children can place 5 objects, 1 each to represent their 5 senses. Each object should have a calming effect and may be linked to a happy or safe memory. If the child needs to feel calmer if anxious or upset they could pick out an object to focus on and think about.

Examples could be, a soft toy which was given to them by a grandparent or one that reminds them of a special pet (touch), a photo of family or friends taken on a special and happy occasion (sight), an unlit scented candle or hanky with a parents perfume or aftershave on (smell), a small pack of mints that a gran always has (taste), a shell to place an ear to or an audio book (sound).

Our Y6 team took part in a football tournament this week, at the
Leatherhead football ground on River Lane.

The team played really well and came third. We only lost out to The Raleigh
and Eastwick Schools, who were really strong sides.

Well done Y6 team!

BBC Children in Need SPOTacular bake sale

Thank you to everyone who supported this event by baking some fabulous mini cakes and biscuits!

Children in Need support and improve the lives of disadvantaged children and young people around the UK.

The funds raised will be shared between Children in Need and the Oakfield Hardship Fund.

The winning bakers as voted for by the school council were:

Brooke, 4H; Emily 3MG;

Cristina 6CK; Ralph 5T; and Jesper 4H

Well done to these bakers, and thank you to everyone for supporting this event through baking, buying and eating the cakes!
