

Dear Parents & Carers

It has been such a treat speaking to pupils about their learning recently. Staff at Oakfield are working hard to ensure that pupils are accessing valuable and often exciting learning experiences.

Thank you to those parents who have joined us for their child's class assembly so far. We hope you have enjoyed finding out more about some of the topics covered in class. The children certainly enjoy sharing these occasions with you.

Information about the upcoming Spring term parent meetings have now been shared. We hope you all take these opportunities to learn even more about how you can work closely with the school to further support your child.

Kind regards,

Mrs Debbie Willemse

YEAR 3

In year 3 we have been looking at 2D shapes in maths.

We have been using a variety of strategies to create a range of shapes and exploring outside, looking for shapes in and around our school. Year 3 had great fun also using jelly to learn about friction.

YEAR 4

Year 4 had an amazing trip to G Live in Guildford to watch a performance of the Children's Concert. We watched orchestra performances of the Overture, a Trumpet Concerto and listened intently to the story of The Theatre Ghost! Some of us even had the opportunity to join in the Can-Can on stage!

The G Live staff commented on the impeccable behaviour of our Year 4 pupils.

More information is available here: www.childrensconcerts.org.uk

YEAR 5

Year 5 have been looking at pattern pieces for their money containers. No sewing this week, but pins and scissors in full use!

YEAR 6

Milestone Museum

On Wednesday 24th Jan, Y6 visited Milestones Museum in Basingstoke linked to our history topic on WW2. The children took part in two workshop: Air Raid Precautions and Rationing. We also looked around the museum, which has a WW2 replica village, including trams and a pier.

MUSIC NEWS : TRIP TO THE O2

On Wednesday 17th January, 63 members of Oakfield Choir boarded a coach bound for the O2 and Young Voices 2024! After the journey and a picnic lunch, the children were seated in the auditorium with almost nine thousand other children, ready to rehearse. After a tea break, the audience seats started to fill up and children waved the Oakfield banner to help our families to find us in the crowd.

Excitement mounted... The magical moment arrived, the lights dimmed and the performance began. It was wonderful for choir to see and perform with Natalie Williams, MC Grammar, Urban Strides and also the incredible 13 year old drummer, Nandi Bushell. Children sang their hearts out, conducted themselves brilliantly and made all the adults very proud.

MUSIC NEWS

Some of the children gave us some feedback about the experience:

I have never been in an arena that big.

I enjoyed MC Grammar and when Natalie Williams asked everyone, even the parents, to show their torches.

I liked the big Mexican wave.

In Sky Full of Stars when the audience and choir all held torches and it really looked like a sky full of stars.

I liked that we all got to be involved and everyone enjoyed it.

I enjoyed being high up and all the torches – it was really cool.

I experienced how to do some really cool dance moves and now I'm a really good singer.

We would all like to thank everyone who made this possible, including children, parents, staff and volunteers. What an exciting and memorable experience!

THANK YOU MRS VENABLES

As CARING is one of our core school values the school presented some flowers (on behalf of pupils and parents of the choir) to Mrs Venables to thank her for all the hard work and effort that went into organising such an amazing event. Thank you for all the positive feedback we have received, it really gives a boost to the staff morale.
