

NEWSLETTER 3
AUTUMN TERM 2025

Dear Parents,

What a fantastic half term we've had!

Firstly, thank you to all parents who attended our recent parent meetings. Your engagement and partnership mean so much to us. We hope you enjoyed looking through your child's books and seeing how hard they have been working.

Our recent fireworks show was truly spectacular. I want to extend a huge thank you to the Friends (especially Mrs Allwood) staff and governors who volunteered their time to make this community event possible. Your support is appreciated.

Our pupils have once again demonstrated their incredible creativity with the pumpkin competition. The display always brightens up the school in the evening.

I recognise that this half term has been busy, with many new routines to adapt to. Everyone seems understandably tired, and I want to emphasise how important it is to rest and recharge. You all deserve a well-deserved break.

We look forward to welcoming everyone back on Monday, 3rd November 2025. I hope you all have a restful holiday.

Kind regards,

Debbie Willemse

OAKFIELD FIREWORKS EVENT

Our 'Stars of the Month' for September helped make the Guys which were then lit at our Fireworks show.

Oakfield Firework Night 2025

Wow – what a night that was!

Our annual fireworks night lit up the Fetcham skies for an 8th year, and it was fantastic to see so many families, friends, and neighbours come together to enjoy it. From the mouth watering dishes to the dazzling fireworks, it really was an evening to remember.

A huge **THANK YOU** goes to so many people that were instrumental in making this year's event happen. In particular, **Cunningham Eves**, for their continued **Sponsorship** this year. **V&H Homes**, in helping us spread the word of our event across the community with **Agent Board Sponsorship**.

We also introduced a couple of exciting new features this year – the **Gazebo Bar**, kindly sponsored by **Thatchers Hotel**, and the **Food Court Bar**, sponsored by **Surrey Event Services**, who were originally approached to help run the event. Surrey Event Services went one huge step further by not only sponsoring the bar but also providing all the brilliant lighting across the site, which really brought the evening to life. Both bars proved a huge hit and added a fantastic atmosphere to the night!

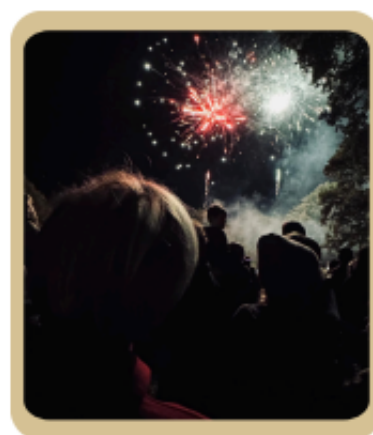

A **BIG** shout-out to our wonderful food and drink vendors – **The Dough Shack, Shakey's Diner, Red Panda Coffee, Cripes It's Crêpes, Jamie's Delicious Doughnuts, Hot Chocolate by Steven, and Candy Floss by Dress the Occasion** – you kept everyone well fed and smiling! And our event booklet advertisers - **The Plough Effingham, LADA, Colin Bull Swimming, Thrive Studios, G.J. Honour Family Butcher and Natasha Allwood Cakes.**

Our thanks also goes to **Chris Barker** and the **Leatherhead Lions**, who did a brilliant job managing the road closures, and to **Mel, Joel, Steven, and Jamie**, the security team, for keeping everything safe and secure throughout the evening. **St John's Ambulance** for providing emergency care which we are pleased to say wasn't needed! And of course, a special mention to **Jamie Atkins**, our fantastic compère again this year, for keeping the energy up throughout the whole event!

Special mention should also go to **Christopher Wigan** who did an amazing job with all the artwork for the event and put up all our banners around the local area, **Olly Kubicki** who put all the site plans together, **Phoebe Hatley** for always being there to lend a hand and **Pete Morton**, our school site manager, for his unwavering support as always.

Finally, we couldn't have done it without all the amazing **parent volunteers** and **teachers** who helped with setting up, stewarding, and clearing away afterwards – you're absolute stars.

We're still counting up the **fundraising total**, and we'll share the final figure very soon – every bit raised helps support Oakfield Junior School and our wonderful children.

THANK YOU from the bottom of our hearts to everyone who came along and made it such a fun, friendly, and memorable night.

We're already looking forward to doing it all again next year!

YEAR 3

Year 3 have enjoyed writing letters in the role of Little Billy from 'The Minpins' book by Roald Dahl.

Wednesday 15th October

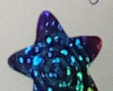

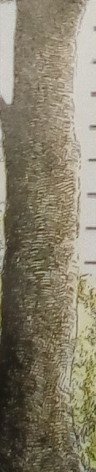

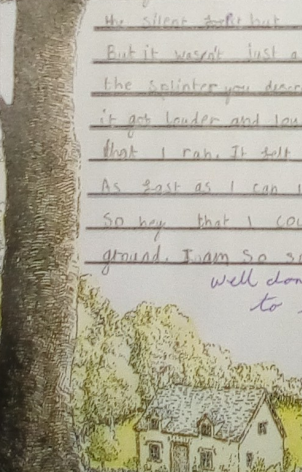

L.O. To write a letter from Little Billy to his mummy.
I will:
• Say sorry for running away and explain why
• Describe what has happened to him
• Describe his feelings
• Use expanded noun phrases

Dear Mummy

Early this morning a mean devil spoke to me and said it is easy to jump out of the window and go down the gate. So that is exactly what I did. I went down the gate after jumping out of the window and singly I was here in the forest of sin. I walked through the silent forest but suddenly a gust of wind came! But it wasn't just a gust of wind it sounded like the splinter you described to me. Every second it got louder and louder then it was so loud that I ran. It felt like it was chasing me. As fast as I can I climbed up a tree. I climbed so high that I could not even see the ground. I am so sorry I did not listen to you. Well done, a great start to letter writing

Dear Mummy

This morning an evil devil spoke to me, it told me to climb out of my window and go to the forest of sin, so I climbed out of my old wooden window and when I got to the gate I opened it and walked in to the forest of sin. A few hours later a massive burning splinter chased me. I was so tired I climbed a tree. I climbed higher and higher and now I am finally safe.

Dear Mummy

I'm stuck in the forest of sin. I thought it would be fine but the splinter appeared. I ran as fast as I could and now I am exhausted. I climbed up a tree and now I am stuck. I am so sorry for ignoring you. I am very very scared. Please come and save me or the splinter will get me alive. The splinter is bright under the moon and if I fall he will eat me!

2. To write a letter from Little Billy to his mummy.
will:
Say sorry for running away and explain why
Describe what has happened to him
Describe his feelings
Use expanded noun phrases

Dear mummy

I am sorry for going in to the big dark forest of Sin. I did this because I was getting bored and I wanted to explore.

As I entered the forest of Sin I heard a funny noise which I hadn't heard before and it got louder and louder and louder.

Then I started to smell something smelly and nasty. I could see lots of humungous bright red and orange bloody smock chasing me.

I thought it was the spitter and it was! I'm feeling sorry for not listening to you and I wish I had listened to you. But I made it home now I am safe up in a tree.

Love from

To Mummy

I am so sorry that I didn't listen to you. I ran into the forest of Sin and got chased by the blood sucking, toothclucking, stonechuckling spittles. I am terrified, anxious, sad and extremely worried. I found a large tree with low branches and I pulled myself up but when I done a few more pulling up I couldn't see the ground or the sky so I was safe got now.

Well done Ralph a great start to letter writing

YEAR 4

The Year 4's Science topic this term is electricity! The children have been busy designing their own switches and loved learning how to control the flow of electricity in a circuit.

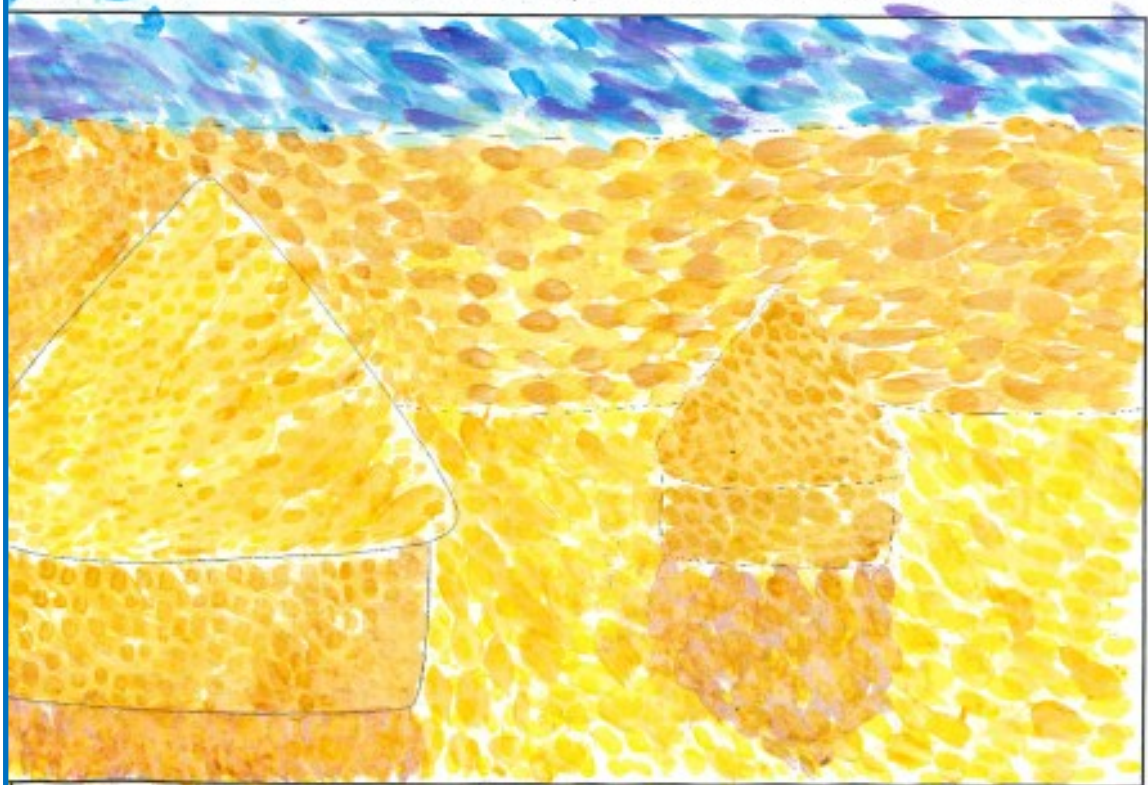

YEAR 5

Year 5 have been studying Monet and Impressionism.
The children have created their own versions of Monet's Haystacks.

Season: Spring - Harper C.

YEAR 6

The Year 6 children had an opportunity to "break fast" as they have been studying what helps a Muslim lead a good life for Islam in RE this half term. The children were looking at Pillar 4, Sawm, which is fasting from sun rise to sunset (no food or water is consumed during daylight hours. They tried a vegetable samosa, dried apricots, dates and raisins and sultanas - some tried and enjoyed the foods for the first time. Some said they would encourage their parents to get various items, the dried apricots being a favourite. All the children agreed they would find it very difficult to fast for Ramadan for 30 days, especially in a hot summer.

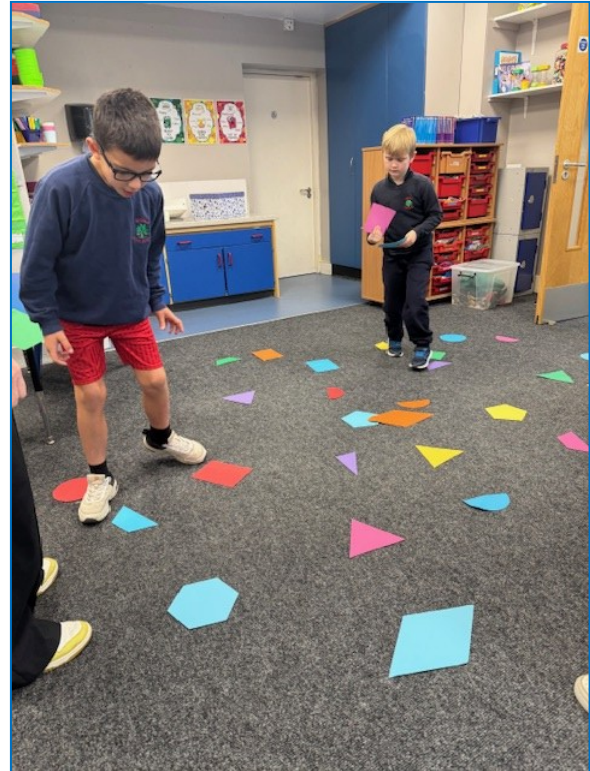

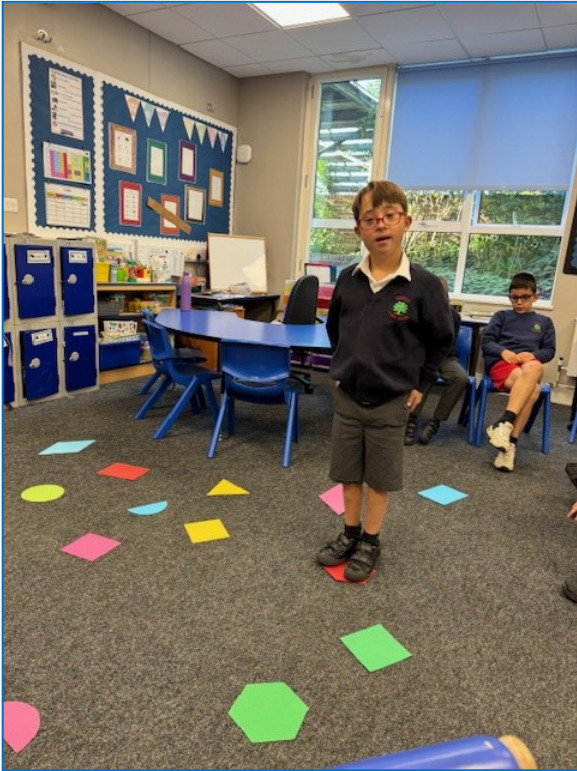

YEAR 6

Mrs Cole's maths set had great fun drawing their own Venn Diagrams using chalk to practise their knowledge of prime numbers, square numbers and times table facts.

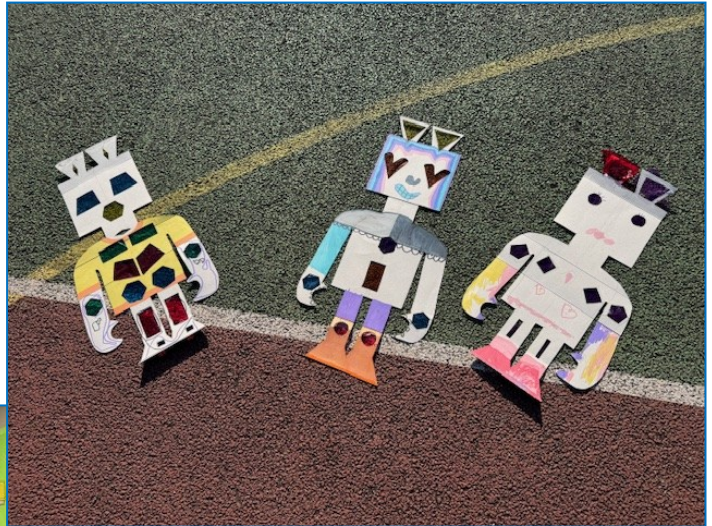

MULBERRY CLASS

Mulberry Class have been learning about 2D shapes and lines of symmetry. We are very pleased with our symmetrical robots and enjoyed letting the sun shine through the shapes on the MUGA.

MULBERRY CLASS

MULBERRY CLASS

Mulberry Class had a wonderful baking session with talented parent, Ruth Berchowitz. We explored the smell, feel and taste of various autumnal foods, then made mini apple croissants which were delicious! We also made Gruffalo crumble with blueberries (also known as purple prickles) on top to link with our current focus on author Julia Donaldson. Thank you so much to Mrs Berchowitz.

MULBERRY CLASS

MULBERRY CLASS

Mulberry class have been thoroughly enjoying Art over the last few weeks. They have been exploring self expression and learning new techniques inspired by the artist, Yayoi Kusama.

✦ CREATE CLUB – TIME TRAVELLERS ✦

A Creative Adventure Through History for Children Aged 7–11

After the October half-term, your child can **travel through time** each week in this fun-filled creative club. From Ancient civilisations to future fantasies, every session combines **art, imagination and learning** through hands-on projects that children love.

TERM DATES

Starts: Friday 7th November

Ends: Friday 5th December

When: Weekly on **Fridays** lunchtime (except half-term holidays)

Time: 12:30 pm – 1:00 pm

Where: Oakfield Junior School, Bell Lane, Fetcham

Booking Link: <https://portal.thecreationstation.franscape.io/class-overview/9596>

COST

£ 5.00 per session

(Payable for full term)

All materials included.

WHAT TO EXPECT – WEEKLY SESSION DETAILS:

1. Terrific Time Machines

Children kick off the term by designing and building their own 3D time machine, using colourful card, foam shapes, and fun embellishments. They also plan what they'd pack for their adventure through the ages.

2. Loopy Greek Labyrinths

After hearing the myth of Theseus and the Minotaur, children craft a swirling maze with string and card. They then try writing their name using the Greek alphabet!

3. Medieval Illuminated Initials

Children explore medieval manuscripts and decorate their initials on foil with colourful patterns, flowers, vines and mythical creatures, just like scribes of old.

4. Fantastic Fossils

Children draw fossil patterns and create their own clay fossils using shells and dinosaur shapes — then paint and display them just like real paleontologists!

5. Fantastic Future Homes

In this imaginative finale, children design their dream home of the future. Flying beds? Solar domes? Floating gardens? Anything is possible in the year 3000!

BENEFITS OF CREATE CLUB

- Nurtures **creativity, confidence, and collaboration**
- Develops **fine motor skills, problem solving and historical awareness**
- Supports **national curriculum** goals in art and design
- Most importantly — **children have FUN!**

Dear Parents

Year 5 STEM Event: Mission Discovery

We are excited to invite your child to take part in a special STEM event during the October Half Term on **Tuesday 28 October at Manor House School**, from **9.00 am to 12.00 pm**. This will be open to children in Year 5 from Manor House School, Cranmore, St Teresa's and other local schools.

The event, themed "STEM Stars: Mission Discovery", promises to be a fun and inspiring morning filled with hands-on science, technology, engineering and mathematics activities. Pupils will work collaboratively to solve problems, explore new ideas and ignite their curiosity about the world beyond our own!

During the session, the children will rotate through three exciting challenges:

- Alien Substance Investigation - become scientists and analyse mysterious materials from outer space
- Code the Rover - try their hand at programming and guiding a Mars rover across a planetary surface.
- Crack the Cosmic Code - use logical thinking and teamwork to decode messages from another galaxy.

This is a fantastic opportunity for our young learners to develop key skills such as critical thinking, communication and creativity, all while having fun and discovering more about STEM subjects.

The cost of the morning will be £10.00, which covers all the above activities, a Science presentation and refreshments. If you would like to sign your child up, please use this QR code.

Your child will need to bring with them a named water bottle and any nut free snacks they may wish to bring.

We would be delighted if parents could join us from 11.30 am for refreshments and an opportunity to see what your child has been up to. The session will finish at 12.00 pm and children will be ready to go home with you at this time.

If you have any questions or require further information, please do not hesitate to get in touch. We do hope your child can join us for what promises to be a fun and inspiring morning of learning and discovery.

Kind regards,

Mrs Helen Redward
Head of Prep

Connection Confidence & Co-operation with Special Time

A FREE half term event for parents and children
at The Patchwork Garden, Sports Ground, Pixham Ln,
Dorking RH4 1QA

"My 6 year old really struggles with the transition of going to and from her dads. When she comes back she tests boundaries and doesn't want to do anything I ask. This week I decided to do Special Time when she returned. That 10 minutes made the biggest difference. She was so much calmer and went to sleep so much easier and quicker than she usually does when she has returned from her dads".

Special Time is a powerful, simple tool designed to:

- Boost the Parent & Child Connection
- Increase co-operation & sibling harmony
- Increase children's sense of wellbeing
- Bring more joy to parenting & family life
- Give parents a window into their child's or young person's world.
- Reduce anxiety and foster resilience

Learning Space are delighted to offer this half day free event in the beautiful surroundings of The Patchwork Gardens near Dorking.

Parents spend time learning about Special Time & enjoying some well deserved adult to adult support time. Children have fun playing games with Learning Space staff.

We come together for the last part of the day to give Special Time to the children and hear from them how it goes! A fun day with lasting results.

Family Wellbeing Service

YMCA East Surrey's Community Wellbeing Team offers support to parents/carers whose children are experiencing challenges or difficulties with their emotional wellbeing and mental health.

The Family Wellbeing service helps families set goals and identify needs through 1:1 or group support. We empower parents with the tools and knowledge to create a more supportive home environment, promoting better mental health for children.

This service offers support to parents/carers in the following local authority areas:

- ▶ Epsom & Ewell / Elmbridge / Mole Valley - parents/carers with children aged 11-18

We work from YMCA centres in Mole Valley, Epsom and Tadworth. We also offer online support via Teams and in other community venues.

We accept self-referrals from parents/carers and direct referrals from professionals.
